**To the Hiring Committee  
Auto Truck East Africa Ltd**

Dear Hiring Committee,

I am writing to express my interest in the **ICT Specialist Fellow** position with **Auto Truck East Africa Ltd** as advertised in the Constellations Fellowship Spring 2026 program. With a Bachelor of Computer Science from Wolkite University, hands-on experience in IT support and development, and a strong motivation to contribute to impactful digital solutions, I am confident in my ability to support your organization's technology initiatives.

During my studies and professional experiences, I have developed solid competencies in ICT that align well with the goals of this fellowship. My academic background equipped me with comprehensive knowledge of computer systems, networking, database management, and software applications. I have also completed Cisco networking coursework (CCNA levels 1–3) and Linux Essentials training, further strengthening my foundation in network configuration, systems administration, and cybersecurity. These certifications reflect my commitment to professional skill development and readiness to handle technical challenges.

In my recent role as an IT support and development assistant, I delivered technical support to users, troubleshooted hardware and software issues, configured networks, and maintained system stability in diverse environments. I worked collaboratively with teams to deploy web-based solutions using HTML, CSS, JavaScript, Python, and Django and ensured system efficiency through regular updates and performance monitoring. My practical experience also includes help desk support, user training, and data backup procedures — all of which are essential skills for the ICT Specialist role.

I am particularly drawn to Auto Truck East Africa Ltd because of its commitment to innovation and technology-driven operations in the transportation and logistics sector. I am excited about the opportunity to contribute to impactful ICT solutions that enhance operational efficiency, strengthen digital infrastructure, and support sustainable growth. I bring not only technical expertise but also a proactive attitude, strong problem-solving skills, and a collaborative work ethic — qualities that will allow me to contribute positively to your team.

Thank you for considering my application. I am eager to contribute meaningfully to Auto Truck East Africa Ltd as an ICT Specialist Fellow and would welcome the opportunity to further discuss how my skills and experiences align with your needs.

Sincerely,  
**Muluken Mesfin**
